

AzTraCS e-Citation Update

Stewart Bruner
For Ridge Franks
TAC – October 7, 2011

- AzTraCS software now deployed in all DPS vehicles
 - Currently delivering paper citations across the state
- Apache Junction Justice Court was pilot
 - implemented on 9-28-11
 - Tested for one week
 - Began month-by-month county rollout
- Any Municipal or Justice court might receive eCitations from DPS
 - Some have declined participation (see rollout schedule)
- Free DOT-created AzTraCS citation print utility (like SmartPrint) available to courts
 - Being installed as courts are deployed

Strategy

- Maricopa County Justice Courts (26 total) planning for production
 - IT resources giving priority to testing
 - May be a month away from production
- Other non-DPS eCitation implementations are still proceeding
 - San Luis, Sierra Vista, Nogales, Cottonwood, Pima County Sheriff
